We are in a season of transition. The weather is changing from the heat of summer to the cool nights of autumn. We are transitioning from the lock down phase of the pandemic to a cautious reopening. As with all transitions, there is a tension between wanting to move full steam ahead and being frightened to take any risks. Our job is to find a place of healthy balance, to avoid the extremes.

I'm quite sure we will never go back to "normal"; the way things were. We are seeking a new normal. As a society, we are not only going through a time of transition but also a time of transformation. Churches are not immune to this shift. Both the church universal and Hope Church can choose to embrace or resist this time of transformation. We can use this time to ask: Who is God calling us to be in 2021 and forward? For example, we know that online church, born out of necessity, is now here to stay because it continues to meet a need. I imagine that other ministries need to be evaluated, and we will work to discern God's will for our faith community. Whenever we enter a time of transformation, we can expect to experience some discomfort.

I'm reminded of the story of the twins, one a hope-filled optimist and the other a pessimist. The parents consulted with a therapist to help the children find some balance in their personalities. The parents followed the advice of the therapist and put the twins in separate rooms to open their birthday gifts. They gave the pessimistic twin the best toys they could afford, and they gave the optimistic twin a box of manure. The parents watched the twins open their gifts. The pessimistic twin complained, "I bet this toy will break soon, and I know a friend who has a bigger toy than this one!" The parents then looked in on the optimistic twin who was gleefully throwing manure up in the air. He was giggling and said, "You can't fool me! Where there is this much manure, there's gotta be a pony!"

How do we look at life? What is our attitude as we go through times of transitions? Do we see opportunities or obstacles? How can the church embrace the opportunity to be transformed? We read in Philippians chapter 4: *I have learned to be satisfied with whatever I have... Christ gives me the strength to face anything.* My prayer for us as individuals and as a congregation is that we embrace this season of transition and allow ourselves to be transformed evermore into the people God is calling us to become.

*Autumn Blessings, Pastor Meg*

# MUSIC MINISTRY

## **It's not too late to join our Music Ministry for the upcoming season!**

We will teach you all you need to know! You do not have to read music. No auditions needed for either group.

**The Handbell choir rehearses on Thursdays 6:00-7:00pm and plays once a month at our service. The Adult Choir rehearses on Thursdays at 7:30 and sings 2-3 times a month depending on the schedule with Handbells and the Band.**

### **Top 10 Reasons For Joining The Church Choir:**

10. The church is usually crowded and you want to make sure you always have a seat.
9. You've just been selected for jury duty and you want to get used to sitting with a large group of people.
8. You've always wanted to hang out with a bunch of music people.
7. They have social functions where you might get fed.
6. There's a clock in the back of the church and you'd like to know when one hour has passed.
5. For years you have wanted to know who sits in the back of the church but didn't want to turn around and look.
4. You're running out of clean clothes and the robe saves on laundry.
3. You've been known to nod off during the Mass and don't want the Pastor to catch you.
2. The chairs for the choir are padded and are the most comfortable chairs in the church.

And the number one reason for Joining the Church Choir . . . .

#### **1. . . . You'll learn a lot of good choir jokes!**

For example:

Q: How many altos does it take to screw in a light bulb?

A: None. They can't get that high.

Q: How many sopranos does it take to screw in a light bulb?

A: One. She just holds it up and the whole world revolves around her.

Let me know if you're interested!

# FIRE PREVENTION WEEK, 10/3-10/9

## **Frequently Asked Questions about smoke and carbon monoxide (CO) alarms**

**What's the difference between smoke alarms and carbon monoxide (CO) alarms?**

**Why do I need both?**

Smoke alarms sense smoke well before you can, alerting you to danger. In the event of fire, you may have as little as 2 minutes to escape safely, which is why smoke alarms need to be in every bedroom, outside of the sleeping areas (like a hallway), and on each level (including the basement). Do not put smoke alarms in your kitchen or bathrooms.

Carbon monoxide is an odorless, colorless gas that displaces oxygen in your body and brain and can render you unconscious before you even realize something is happening to you. Without vital oxygen, you are at risk of death from carbon monoxide poisoning in a short time. CO alarms detect the presence of carbon monoxide and alert you so you can get out, call 9-1-1, and let the professionals check your home.

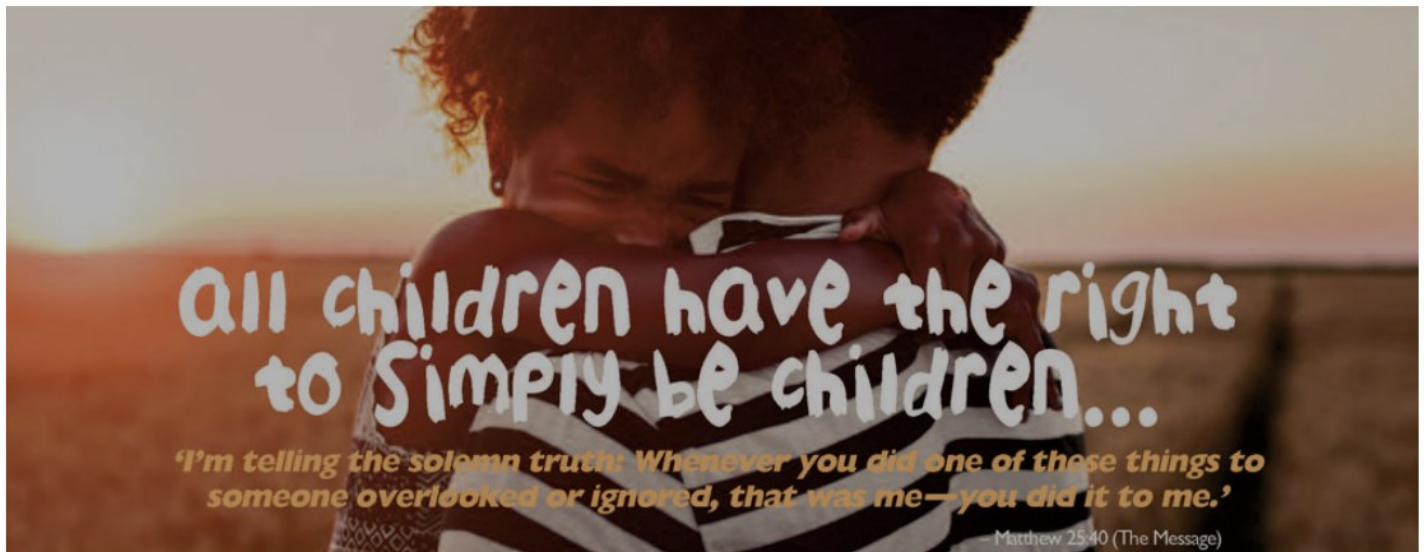

**How do I know which smoke and CO alarm to choose for my home?**

Choose an alarm that is listed with a testing laboratory, meaning it has met certain standards for protection. Whether you select a unit that requires yearly changing of batteries, or a 10-year unit that you change out at the end of the 10 years, either will provide protection.

CO alarms also have a battery backup. Choose one that is listed with a testing laboratory. For the best protection, use combination smoke and carbon monoxide alarms that are interconnected throughout the home. These can be installed by a qualified electrician, so that when one sounds, they all sound. This ensures you can hear the alarm no matter where in your home the alarm originates.

## NEIGHBORS IN NEED

Free-form Slip

Offering Date: October 3, 2021

**Neighbors in Need (NIN)** is a special mission offering of the United Church of Christ that supports ministries of justice and compassion throughout the United States. One-third of NIN funds support the [Council for American Indian Ministry](#) (CAIM). Two-thirds of this offering is used by the UCC's Justice and Witness Ministries (JWM) to support a variety of justice initiatives, advocacy efforts, and direct service projects through grants. Neighbors in Need grants are awarded to UCC churches and organizations doing justice work in their communities. These grants fund projects whose work ranges from direct service to community organizing and advocacy to address systemic injustice. This year, special consideration will be given to projects focusing on serving our immigrant neighbors and communities.

## NEIGHBORS IN NEED (cont.)

### **NEIGHBORS IN NEED SPECIAL OFFERING OCTOBER 3, 2021**

Neighbors in Need is the UCC's annual offering to support ministries of justice and compassion throughout the United States, including the Council for American Indian Ministries (CAIM), justice and advocacy efforts, and direct service projects funded by the UCC's Justice and Witness Ministries.

The Neighbors in Need offering, which we will receive on October 3, 2021 supports the UCC's ministries of justice and compassion throughout the United States. Two-thirds of the offering is used by the UCC's Justice and Witness Ministries to fund a wide array of local and national justice initiatives, advocacy efforts, and direct service projects. Through [ucc.org/justice](http://ucc.org/justice), our national Justice and Witness Ministries office offers resources, news updates, and action alerts on a broad spectrum of justice issues. Working with members of the UCC Justice and Peace Action Network (a network of thousands of UCC justice and peace advocates), Justice and Witness continues its strong policy advocacy work on issues such as the federal budget, voting rights, immigration, health care, hate crimes, civil liberties, and environmental justice. Neighbors in Need also supports our American Indian neighbors in the UCC. One-third of the offering supports the UCC's Council for American Indian Ministries (CAIM). Historically, forebears of the UCC established churches and worked with Lakota, Dakota, Nakota, Mandan, Hidatsa, Arickara, and Hocak in North and South Dakota, Wisconsin, and northern Nebraska. Today there are 20 UCC congregations on reservations and one urban, multi-tribal UCC congregation in Minneapolis, Minnesota. These churches and their pastors are supported by CAIM. CAIM is also an invaluable resource for more than 1,000 individuals from dozens of other tribes and nations who are members of other UCC congregations in the U.S.

## HOPE UNITED CHURCH OF CHRIST ONLINE GIVING

More and more, the way we pay our bills is changing. Electronic payments are everywhere, from our monthly utility bills to on-line purchases. As a society, we are writing fewer and fewer checks. We are introducing two new convenient ways to allow members and friends make donations to Hope UCC.

**On-Line** – Visit the Hope UCC web site – [www.hopeuccmi.com](http://www.hopeuccmi.com)

Select the “Give a Gift” tab .

Select the “Give Here” button

**Or from your cell phone**

Text “HUCCF” to 45777. The site will respond with a link which you can use to route your donation to a specific fund.

If you would like to donate to the “General Fund” you can simply text:

“Gift Amount” followed by “HUCCF” to 45777. For instance to give \$5 text “5 HUCCF” to 45777.

In both cases you will be directed to our secure payment processing center where you will be able to easily walk through the steps to register and/or direct your donation (eg to the general fund or a specific mission).

Also: (Hint – if using the text method, save this phone number in your “Contacts” list to make it easier to access.)

You will be able to make donations from your bank account or debit/credit card. The donation can be a one time or recurring (weekly, every 2 weeks, 1st & 15th, monthly) to make it more convenient. You will have the ability to designate where your donation is going (Regular offering, Hope for the Future, etc.). Once you have set up a giving profile, you will be able to edit and change it at any time. You will receive email and text confirmation of your donation each time it is made. Your on-line donations will be recorded on your Annual Giving Statement from Hope UCC for tax reporting.

There is no charge for the on-line giving service. However, there are processing fees associated with each transaction that are deducted from the amount Hope receives. The fees are as follows:

Bank Account = \$.40 + .5% of donation

Credit/Debit Card = \$.30 + 2.9% of donation.

Example = \$10 gift by bank account – fee is (\$.40 + \$ .05) = \$.45 – Hope receives \$9.55

= \$10 gift by credit/debit card – fee is (\$.30 + \$.29) = \$.59 – Hope receives \$9.41

Your Giving Statement will reflect the total donation. You may consider increasing that donation to help offset the fees being charged.

Any questions can be directed to Jan Nenninger.

Of course, we will still be have a donation box every Sunday. If you prefer to continue making your donations as you have in the past, please do. We appreciate the generosity of all of our members and friends, no matter what form it takes: financial-ly or volunteering your time and talents to help Hope UCC be a church of mission and compassion; of outreach and caring; of vision and inspiration. For all you do, we thank you!!

### HOPE CHURCH PRAYER LIST

Our congregation knows that prayer is our tool for connecting to God. Together, we pray in worship and we pray at home. Please check the prayer list in both the newsletter and the bulletin to help us keep our prayer requests current. **You may contact the church office to remove or add a name.** We also have a prayer sculpture in the church lobby and you are welcome to write a prayer request on a heart and hang in on the sculpture. When we lift our concerns in prayer, we will surely know the presence of the Lord.

Please remember those on our Prayer List ... with a phone call, card, note and keep them in your Thoughts & Prayers. **For those who are silent with your concerns and needs, a special prayer for ALL of you to have the strength, courage and patience to deal with your individual situation.**

**OUR DEEPEST SYMPATHY** to the family of Andy Anderson, who passed away on September 20th. Please send cards to: Bruce and family.
