Words of Hope

The bell rings. Pencils are sharpened to a perfect point and the smell of new school supplies is in the air. Bulletin boards are fresh and desks are clean. Teachers greet students and welcome them to the 2024/2025 school year. Many of the students will be struggling, carrying issues as heavy as their backpacks. Their teachers will work long after the school day ends trying to maneuver through all the school systems' requirements. **People of faith have an opportunity.**

Many children come to school from complicated home environments. Teachers see children carrying stress and anxiety around safety concerns that impact both the kids and teachers. **People of faith have an opportunity.**

Students respond to love, a word of encouragement, and an opportunity to share their ideas. Teachers also respond to love. One of the greatest displays of love is through the act of service. When love is acted out, without an agenda, humanity is positively impacted. **People of faith have an opportunity.**

** Ask a teacher if she/he needs help prepping materials.*

** Donate to the food pantry to help families who need emergency meals between paychecks.*

** Go to a school game or concert to support the kids, coaches, and teachers.*

** Drop off donuts or fruit at the school's main office sometime during the year.*

** Drop off inexpensive gloves for the kids who show up without any.*

** Pray for specific students and teachers.*

** Write a note of encouragement to a teacher.*

Some of these ideas are simpler than others. This list is just the beginning. It gives ideas of a few ways to share the "good news." For our schools to thrive, they need to experience tangible expressions of love. **People of faith have an opportunity to offer God's love to students and educators. Our prayers and actions will help bring love to the head of the class.**

Blessings, Pastor Meg

CAMP CARING

August Update for Camp Caring

This was our second Camp Caring for the summer! The day began with acting out the story of the Good Samaritan and discussing how we too can be good Samaritans. We then made toys for cats and dogs and assembled pet food supplies. We once again made tissue box covers for people in hospitals. We painted stones and put positive messages on them. We had fun taking the rocks to a park where others will find them and hopefully feel encouraged. The children enjoyed our visit to a local animal rescue "Rejoyceful Animal Rescue" where they went on a tour and delivered their donations. For our recreation time we went to a bounce house. Camp Caring is a wonderful opportunity for kids to make a difference and put their faith into action! Thank you to all who helped prep materials and volunteered to make the day a success!

In our ongoing efforts to support those in need, our church's food pantry has found a remarkable ally in Motown Soups. This generous company has made a substantial impact on our mission through their financial contributions, which are directly supporting our pantry's ability to serve families and individuals in our community. Our very own food pantry has been fortunate to benefit from their generosity for many years.

We encourage you to consider Motown Soups for your next gift opportunity. In doing so, you'll be gifting a flavorful, well-crafted product while also playing a vital role to aid those in need. Together, we can build a stronger, more compassionate community. Visit www.motownsoup.com or order forms are available at the church as well.

HOPE SPARKLES EXERCISE CLASS

This class offers a holistic approach to fitness, integrating stretching routines, balance enhancement exercises, and gentle cardiovascular workouts. We utilize 2-pound weights, supplied by the church, to engage in strength-building exercises. For flexibility training, we utilize therapy bands, provided by our instructor.

The cumulative outcome of these sessions is a significant improvement in overall health and well-being. Scheduled regularly, the class meets every Monday from 11 a.m. to 12 p.m. and every Wednesday from 1 p.m. to 2 p.m. Linda Hohf, our instructor from the Arthritis Foundation, demonstrates an exceptional understanding of our joint and muscle needs, tailoring our workouts to address them effectively.

What makes this Exercise Class Special is "YOU." All you have to do is "SHOW UP" FOR AN HOUR OF FUN AND FITNESS WITH FRIENDS!

The cost is \$1 per person, per class.

Reach Out in Faith

USE YOUR PRACTICAL SKILLS TO HELP NEIGHBORS IN NEED!

Volunteers are greatly needed to help frail, older and disabled adults in our community with:

**MINOR HOME REPAIRS
INDOOR / OUTDOOR CHORES
& BASIC HOUSEKEEPING**

For a frail older adult or a person with disabilities, simple tasks like dusting & vacuuming, changing light bulbs or raking leaves can be impossible. Many minor home repairs are often beyond their abilities, and far too expensive for them to purchase professionally. The Interfaith Volunteer Caregivers program helps our older and disabled neighbors with such tasks so they can remain safe and independent in their own homes. If you can help weekly, monthly or even just a couple times a year, please call us today. The time you give will make a real difference in someone's life.
